Nuno Bettencourt, Confrontation

Jesus Christ was a very kind man
And He gave his life for all our sins
Did He have to?
I guess He had to

Abe Lincoln was a very brave man
And freed the slaves, he took a chance
Did he have to?
I guess he had to?

Do you believe in me?
Do you believe in me?

'Cause if you don't I'm gonna leave you
If you don't I'm gonna leave you
If you don't I'm gonna leave you
If you don't I'm gonna leave you

Superman was a very strong man
And he risked his life with kryptonite
Did he have to?
I guess he had to?

Robin Hood was a generous man
Stole from the rich, fed the poor
Did he have to?
I guess he had to?

Do you believe in me?
Do you believe in me?

'Cause if you don't I'm gonna leave you
If you don't I'm gonna leave you
If you don't I'm gonna leave you
If you don't I'm gonna leave you

If you don't I'm gonna leave you
If you don't I'm gonna leave you

Jesus Christ was a very kind man
And He gave his life for all our sins
Did He have to?
I guess He had to
