

# Nuno Bettencourt, Flow

pull the shades      lock the door  
somebody is looking for vovo  
she don't wanna come out today  
she would rather stay inside and play  
all day      she'll stay  
holding all her children in her arms  
away from harm  
it's all she ever wanted

i was only just beginning to say  
all the things that couldn't be said  
then they come and take you away

i love you      i love you  
i don't care who hears me  
i know that it's uncool to sing it  
it's just that i'm tired of trying  
to find different ways to say that  
i love you      i love you  
it's all that i'm feeling

someone please shed some light  
where is the narrator in my life  
maybe he doesn't know where i've fled  
running through the city in my head  
i shed      regret

now i see the credits rolling  
the end  
this movie can't be over      not yet  
there's no happy ending      no one said

i love you
