

Nuno Bettencourt, What U Leave Behind

The bookends of this lifetime
are nothing compared to the glory that awaits us
You'll then be alive
Must be prepared to give up one dream for another
Look at the biggest picture
Drawn for you

You will leave it all behind
(can't take it with you, can't take it with you)
Got to leave it all behind
(can't take it with you, can't take it with you)
You just give it all away
(can't take it with you)

A sense of big adventure
A small matter of faith
Drop all heavy resistance , it's not too late
Strong minded pluralism
Will get you nowhere fast
The fence that you've been sitting on , soon will crash

(repeat chorus)
