

# Nunslaughter, You Bleed

Dark night our time For hell we chant  
All souls condemned Exiled from heaven  
Sacrifice your dead messiah calls  
Evil God your rancid lord falls  
Virgin whore I plant the evil seed  
Dying Christ on the cross you bleed  
Our lord tells me The dead will walk  
Upon this earth To feast on decay  
Sacrifice your dead messiah calls  
Evil God your rancid lord falls  
Virgin whore I plant the evil seed  
Dying Christ on the cross you bleed
