

Nuts Can Surf, Donkey Tree

They tied me to a tree
An this donkey is watchin' me
Now I cant go out an play
An this donkey is in my way
I took a piss in church
So they tied me to a tree
I took a piss in church
Now this donkey is watchin' me
They tied me round the neck
Now I'm findin' it hard to breathe
Now I cant go out an play
An this donkey is in my way
(refrain)
