

O-Town, I Only Dance With You...

I Only Dance With Her

Oh, oh, oh

Girl I remember how it all began
You introduced her as your friend
But I knew I was in trouble when
I saw her smile at me
And then she asked me for a dance
But never offered you a glance
Well let me tell you girl
With friends like that who needs enemies?

Shoulda known better then to trust a friend
Who's jealous of the way we're living
I don't think you know what's happening
Your girl is shading you

Oh

Shoulda known better then to trust a friend
Behind your back she gives me rhythm
But I'm about to make her understand
I only dance with you

Girl, you say your friends just flirting,
But, it's getting so ridiculous
That she thinks that she can mess with us
But I don't play around
Even if she's saying that you're well aware
And it's cool with you to share
No I still aint gonna dance with her
I'm telling you right now

Shoulda known better then to trust a friend
Who's jealous of the way we're living
I don't think you know what's happening
Your girl is shading you

Oh

Shoulda known better then to trust a friend
Behind your back she gives me rhythm
But I'm about to make her understand
I only dance with you

Don't try to say I lost my mind
I know your girl has crossed the line
She's got issues, she trying to diss you
The minute that she turned around she pulled a switch move
Coz she's wishing what's yours was hers
So now listen girl, that ain't never gonna work
Shoulda known better then to trust a friend
Who's jealous of the way we're living
I don't think you know what's happening
Your girl is shading you

Oh

Shoulda known better then to trust a friend
Behind your back she gives me rhythm
But I'm about to make her understand
I only dance with you

Shoulda known better then to trust a friend
Who's jealous of the way we're living
I don't think you know what's happening
Your girl is shading you

Oh

Shoulda known better then to trust a friend
Behind your back she gives me rhythm

But I'm about to make her understand
I only dance with you
