

O-Town, Shy Girl

Shy shy girl
Shy Girl
Yeah, Yeah (yeah yeah) Oh Oh (oh oh)
Standing with the wallflowers
Wishing you've stayed at home
You kick yourself for coming
When you're standing there all alone
The centers of attention are busy making all their moves
Oh Girl...
While all the guys are lookin' at them
I got my eye on you
Only you

You might think you're nothing special
You might be losing hope
But baby don't you realize,
How beautiful you really are?

(chorus)
Shy girl
It's written on your face
A mermaid out of water
Feeling out of place
Shy girl
Tryin' to hide a blush
Caught you looking for a second
Felt my heart a-rush
Don't run away
Don't be afraid
Don't be shy girl
So beautiful (so beautiful)
Shy shy girl

I'm moving in closer
Slowly tryin' to break the ice
Shy shy girl
But it's hard to get a look on your downward glancing eyes
Oh yeah

You might think you're nothing special
You might be losing hope
Oh baby don't you realize,
How beautiful you really are?

(chorus)

Now I'm standing right in front of you
I confess I'm nervous too
Girl you know there's something goin' on
And not to give it a chance
Would be so wrong (be so wrong)
Oh baby

Shy girl
It's written on your face
A mermaid out of water
Feeling out of place
Shy girl
Tryin' to hide a blush
Pretending that there's nothing between the two of us
Don't run away
Don't be afraid
Don't be shy girl

(CHORUS)

Hey girl
Don't be shy girl
(hahaha) Shy shy girl
Don't run away
Oh baby
lookin' at you
Come a little closer
Shy, Shy girl
Shy girl

you make my heart beat so badly

shy girl
shy shy girl (until fade)
