

# O-Town, Suddenly

She Said It Wasn't My Fault  
She Said We Gave It Our All  
As She Walked Away  
I Never Saw A Girl's Eyes So Blue  
No, Tell Me Is There Something I Can Do?  
Leave Another Message On The Telephone  
And You're Parked Outside With Your Headlights On

-CHORUS 1-

Suddenly I'm Standing At Your Door  
And The Steps Don't Feel Like They Did Before  
The Radio's Playing Loud But It's Not Our Song  
Suddenly He's All Alone With You  
He's Looking In Your Eyes Like I Wanted To  
I Knock Four Times And Pretend You're Not At Home  
Suddenly I'm All Alone  
Suddenly I'm All Alone

She Said It Wasn't The Same  
She Said our Life's Been So Plain  
Then She Walked Away  
I Wanna Make Things Brand New  
Tell Me Is There Something I Can Do?  
Leave Another Message On The Telephone  
And You're Parked Outside With Your Headlights On

Suddenly I'm Standing At Your Door  
And The Steps Don't Feel Like They Did Before  
The Radio's Playing Loud But It's Not Our Song  
Suddenly He's All Alone With You  
He's Looking In Your Eyes Like I Wanted To  
I Knock Four Times And Pretend You're Not At Home  
Suddenly I'm All Alone  
Suddenly I'm All Alone  
Suddenly I'm All Alone  
Radio's Playing  
Radio's Playing  
Radio's Playing Loud But It's Not Our Song

-CHORUS 2-

Suddenly you're Standing At My Door  
And The Steps Don't Feel Like They Did Before  
The Radio's Playing Loud But It's Not Our Song  
Suddenly I'm All Alone With Her  
She's Everything That I Wish You Were  
You Knock Four Times And Pretend I'm Not At Home

Suddenly you're Standing At My Door  
And The Steps Don't Feel Like They Did Before  
The Radio's Playing Loud But It's Not Our Song  
Suddenly I'm All Alone With Her  
She's Everything That I Wish You Were  
You Knock Four Times And Pretend I'm Not At Home  
Suddenly Your All Alone

Suddenly you're Standing At My Door  
And The Steps Don't Feel Like They Did Before  
The Radio's Playing Loud But It's Not Our Song  
Suddenly I'm All Alone With Her  
She's Everything That I Wish You Were  
You Knock Four Times And Pretend I'm Not At Home
