

# O-Town, Under Your Spell

Spoken:

O-Town, I want you to close your eyes and fall into a deep trance  
And when I count to 3. You will wake up and you'll be mine

(I like it...oh ah ah oh ah ah)

(I love it...oh ah ah)

(I know you.....oh ah ah)

(I love you when you take me down down under your spell)

My mind is suffocated  
By your deep sigh  
The scent of you has got me  
So blind, why, why can't I be with you  
Full time 'cause  
You bring me under

Your lips, your eyes, your skin  
Can't wait to be within  
Your thoughts, your mind  
We'll meet in time babe  
You're mine babe  
So fine babe  
But for now

Chorus:  
I like it when you bring me under  
Girl, I know you so well  
I love you when we get down, down  
Oh, can't you tell  
I know you know when I first met you, baby  
My heart fell  
I love it when you take me down, down  
Under Your spell

Can i get an "o"  
can i get a "t"  
can i get an "o"  
and a "w"  
and an "n" (ah)  
bring it back

If you, could ever understand  
What you put me through  
Then I, I  
I could forgive you  
I can't forget you  
The things that you do  
Won't leave my mind, too

I came to you with a broken view of what  
My life should be  
You carried me so consciously  
I send my mind through your eyes  
My thoughts are caught up in you, you  
Who can't wait to wrap myself in you

I like it when you bring me under  
Girl, I know you so well  
I love you when we get down, down  
Baby, can't you tell  
I know you know when I first met you, baby  
My heart fell  
I love it when you take me down, down, down, down  
Under your spell

1, 2, 3...

When I look into your eyes  
My mind just don't know what to do and  
It's a crazy thing  
Got me all in trance  
Wanna dance in the streets with you  
You got it goin' on, flowin' on  
Girl you never show me wrong  
Make a fella wanna go write a song  
And give you all my publicion  
I'm gonna go where you wanna go  
Run wild, have fun like a carnival, cause  
I think I'm in love with you  
And before I never knew that I was so  
I can't recall  
Not at all  
The last time a girl made me fall  
So deep that I had withdrawls  
So don't stop cause

I like it when you bring me under  
I know you so well  
I love you when we get down, down  
Oooh Can't you tell  
I know U know when I first met you babay  
My heart fell  
I love it when you take me down, down  
Under your spell  
Chorus to fade
