

# Oak Ridge Boys, No Matter How High

When I was a young boy I would dream about life  
And wonder just how sweet it would be  
But baby I got lucky when I met you that night  
Now you'll always have this promise from me.

No matter how high I get,  
I'll always look up to you,  
You'll always be number one,  
I'll settle for number two  
You've always been there for me  
Baby, I must confess  
I'll always look up to you  
No Matter how high I get

Up here on this mountain it gets crazy sometimes,  
so crazy I don't know what to do  
when I've had it up to here with all of their lies  
I can count on you to tell me the truth

No matter how high I get,  
I'll always look up to you,  
You'll always be number one,  
I'll settle for number two  
You've always been there for me  
Baby, I must confess  
I'll always look up to you  
No Matter how high I get

You are the one that turned me around  
You help me keep my feet on the ground

No matter how high I get,  
I'll always look up to you,  
You'll always be number one,  
I'll settle for number two  
You've always been there for me  
Baby, I must confess  
I'll always look up to you  
No Matter how high I get
