

# Oasis, Acquiesce

I don't know what it is  
That makes me feel alive  
I don't know how to wake  
The things that sleep inside  
I only wanna see the light  
That shines behind your eyes

I hope that I can say  
The things I wish I'd said  
To sing my soul to sleep  
And take me back to bed  
You want to be alone  
When we could be alive instead

Because we need each other  
We believe in one another  
And I know we're going to uncover  
What's sleepin' in our soul  
Because we need each other  
We believe in one another  
(And) I know we're going to uncover  
What's sleepin' in our soul  
What's sleepin' in our soul

There are many things  
That I would like to know  
And there are many places  
That I wish to go  
But everything's depending  
On the way the wind may blow  
I don't know what it is  
That makes me feel alive  
I don't know how to wake  
The things that sleep inside  
I only wanna see the light  
That shines behind your eyes

Because we need each other  
We believe in one another  
And I know we're going to uncover  
What's sleepin' in our soul  
Because we need each other  
We believe in one another  
(And) I know we're going to uncover  
What's sleepin' in our soul  
What's sleepin' in our soul

What's sleepin' in our soul  
What's sleepin' in our soul  
'Cause we believe  
'Cause we believe  
Yeah, we believe  
'Cause we believe  
'Cause we believe  
'Cause we believe  
Because we need  
Because we need
