

# Oasis, The Hindu Times (Demo)

You fall in, we fall down  
there's no love in this shotgun town  
what you believe is not fair  
when you leave yeah the world won't care  
the ghost that is your soul it leaves me cold babe  
the ghost that is your soul it leaves me cold babe  
cos you get so high you just don't feel it  
yeah you get so high you just can't feel it

in and out your brain, running through your veins  
you got no sunshine, you got rain

you fall in, we fall down  
there's no love in your shotgun town  
when you believe it's not fair  
when you leave you know the world won't care

the ghost that is your soul it leaves me cold babe  
the ghost that is your soul it leaves me cold babe  
cos you get so high you just don't feel it  
yeah you get so high you just won't feel it  
in and out your brain, running through your veins  
you got no sunshine, you got rain

what you get so high you just can't feel it  
what you get so high so you just can't feel it  
yeah you get so high you just can't feel it  
cos you get so high you just can't feel it

in and out your brain, running through your veins  
you got no sunshine, you got rain
