

Oasis, The Hindu Times (Studio)

I get up when I'm down I can't swim, but my soul won't drown
I do believe I've got flair I've got speed, and I walk on air
Cos Give me soul in your rock and roll (babe)
Cos Give me soul in your rock and roll (babe)
And I get so high I just can't feel it
And I get so high I just can't feel it
In and out my brain and running through my veins
You're my sunshine you're my rain
There's a light that shines on me and it keeps me warm
It gives piece I must say I can't sleep because the world won't wait
Cos Give me soul in your rock and roll (babe)
Cos Give me soul in your rock and roll (babe)
And I get so high, I just can't feel it
And I get so high, I just can't feel it
In and out my brain and running through my veins
You're my sunshine, you're my rain
And I get so high, I just can't feel it
And I get so high, I just can't feel it
And I get so high, I just can't feel it
And I get so high, I just can't feel it
In and out my brain you're running through my veins
You're my sunshine, you're my rain
