

# Oasis, The Quiet Ones

So let's hear it  
For the quiet ones  
Let's all hear it  
Be as bright as sun  
When it's dark and you're overcome  
Listen now  
Let's all hear it  
For the quiet one

So let's hear it  
For the quiet ones  
Can't get near it  
Till we're bright as sun  
When it's dark and you're overcome  
Listen Now  
Let's all hear it  
For the quiet one
