

# Oasis, Turn Up The Sun

I carry madness  
Everywhere I go  
Over a border  
And back to the snow

So if you see me  
And I look right through  
You shouldn't take it  
As a reflection of you

Come on, Turn up the sun  
Turn it up for everyone  
Love one another  
Love one another

The boys in the bubble  
They wanna be free  
And they got so blind  
That they cannot see

But I'm not your keeper  
I don't have the key  
I got a piano  
I can't find the C

Come on, Turn up the sun  
Turn it up for everyone  
Love one another  
Love one another
