Oasis, You've Got To Hide Your Love Away

Shut up, shut up (spoken)

here i stand with head in hand turn my face to the wall if she's gone i can't go on feeling two-foot small

everywhere people stare each and every day i can hear them laugh at me and i hear them say

hey! you've got to hide your love away hey! you've got to hide your love away

how can i even try? i can never win seeing them, hearing them in the state i'm in

how could she say to me love will find a way? so gather round all you clowns let me hear you say

hey! you've got to hide your love away hey! you've got to hide your love away la la la la la la la

thats the last song innit? (spoken)
