

# Oblivion Dust, Parasite

My way, your way  
I don't give a f\*\*k or nothing  
to no one. Parasite  
My way, your way;  
I don't give a f\*\*k or nothing  
to no one. Parasite

I live for myself;  
they call me a god, with my own style;  
and I don't know why  
they cover my eyes and drown me in lies.

Everybody, come protect me now.  
So completely thrown away,  
you'll find me in the lost and found. (Yeah)

I die by myself;  
and they'll call me a god without any style;  
and I don't know why  
they've covered my eyes and told me to die.

Everybody, come protect me now.  
So completely thrown away,  
I'm lost in no one else but me.

My way, your way;  
I don't give a f\*\*k or nothing  
to no one. Parasite
