

Oblivion, Renewal Of Our Minds

rom 12:2

you god sometimes life it's so hard
for I do it hard for my self
so god help me from failing over and over again
please lead me from temptation
god set me free
from worldly addiction

let me see you
not humans mistakes

everywhere I see mistery around me
god I don't know what I can do
so god help me so I can live in this world
and not by the world
god set me free
from human addiction

let me see you
not humans mistakes

do not be confirmed to this world
but be transformed by the remewing of your mind
that you can prove what is the good
and acceptable perfect will of god
