

Obsession, Tragedy

Here I lie, in a lost and lonely part of town
Killing time, in a world of tears slowly drown
Going home
I just can't face it all alone

I really should be holding you
Holding you
Loving you
Loving you

Tragedy, when the feelings gone
And you can't go on

It's tragedy
And the morning cry's
And you don't know why
It's hard to bare
With no one to love you,
You're going nowhere

Tragedy, when you lose control
And you've got no soul

It's tragedy
And the morning cry's
And you don't know why
It's hard to bare
With no one to love you,
You're going nowhere

Night and day
This burning down inside of me
Oo, burning love, with yearning
Then that won't let me be
Now I know
I just can't take it, all alone

I really should be holding you
Holding you
Loving you
Loving you
