

# Ocean Blue, The Relatives

Swing was the thing  
long ago  
Elvis was king  
long ago  
But I'm constantly  
avoiding extremes  
Dodging those  
absolutes  
Singing the song in  
my head  
Makes no sense at all  
Fab were the four  
long ago  
Jim closed the door  
...ago  
But I'm constantly  
avoiding extremes  
Dodging those  
absolutes  
Whispering words in  
my head  
Makes no sense at all
