Ocean Colour Scene, Chelsea Walk

I went down to Chelsea Walk Where the sun doesn't shine at all And I went looking for something for me But I came back with nothing at all Except an old man who could not see But he said that he knew God Chelsea Walk Oh... Chelsea Walk Oh... Chelsea Walk Now I've been down to Chelsea Walk Where the sun just refuses to shine And I ran back to my little room And I jumped straight into a bottle of wine You know I'll be alright for just a day But tomorrow I must wake Chelsea Walk Oh... Chelsea Walk Oh... Chelsea Walk Old man I must be on my way Don't you worry I'm just scared for those who pray In Chelsea Walk Oh... Chelsea Walk Oh... Chelsea Walk Chelsea Walk...
