

# Oceano, Mass Produced

Forces are at play  
you are not awake!  
lives are at stake. continue to fuel flames  
this is not a fucking game

here you are fueling flames  
but your lies reek the same  
the bullshit read on your face  
You lack what it takes  
re-acclimated with the sheep

we are not the products content witness it all burn  
there must be no weak minds corrupting the process  
false purpose  
you walked right back into the construct  
you are the product  
of our enslavement  
you are the product  
you are the product

its all coming into view  
you've got these horns out now for all to see  
cut the act  
you're opaque, cracked clearly  
and as your darkness seeps the worlds reminded you are one with the disease  
You are one with the disease

it's not safe  
No, it's not safe  
to put the fate of the world in the hands of an ignorant few  
denial and ignorance  
sewing lies to manifest their motive & views  
The eye of Ra now turns and judges you  
denial and ignorance  
sowing lies to manifest.  
the world doesn't need you
