

# Oceans Of Sadness, Where Oceans Begin

I don't believe that mankind will achieve what they're  
talking about with their blabbering mouths  
Broken vows... no one shouts...  
I can't achieve what you want me to be 'cause they're  
talking too loud, only shit in their mouths  
Broken vows... no one shouts...  
Where oceans begin, the night turns to day and  
where you drown your sin  
Where oceans begin, the light is so bright and  
there you'll taste your sin  
When can we talk about all those lies that we're living by?  
When will we think about all those lies we're feeding now?  
Surprise, we meet again my friend  
I will be hunting you until the bitterest end  
Bleeding - Healing - and again  
until - your death - will commence  
It's a fool who is living by the rules that are given by  
the people who're telling lies, can't you recall??  
Bleeding - Healing - and again  
until - your death - will commence  
If I try to be nice to those who repent  
Maybe I would not get inflicted by their sins...
