

# October Nites, The Weakness

Give it up for the weakness  
I'm afraid I can't speak of this  
The clock ticks and I'm out of time  
But I don't really want to say goodbye  
And I'm stuck in a phase  
Don't want to show it  
I don't want to let you know  
I'll look away  
I'm so tired  
I don't want to let you go  
Ways to waste it  
I'm so attached and I can't shake it  
So exhausted, I can't fake it  
Conscious but I've got to make it  
She's waking up in a liquor cabinet  
She can't move and I can't stand it  
She's waking up in a liquor cabinet  
Conscious, but she's got to have it  
Give it up for the weakness  
You don't want to see me like this  
The ground shakes and I can't feel time  
And I don't want to see you lose that shine  
So give it up for the last call  
Another night up against the wall  
Blood shots and a scotch no ice  
And this is going to be my last goodbye  
And I'm stuck in a phase  
Don't want to show it  
I don't want to let you know  
I'll look away  
I'm so tired  
I don't want to let you go  
Ways to waste it  
I'm so attached and I can't shake it  
So exhausted, I can't fake it  
Conscious but I've got to make it  
She's waking up in a liquor cabinet  
She can't move and I can't stand it  
She's waking up in a liquor cabinet  
Conscious, but she's got to have it  
Wake me up tonight, I've been dreaming, screaming  
I've been wasting my intentions on someone who won't hear this song  
And you can take my breath away  
And I could leave this place today  
And it's a long way home and I ain't scared to do this on my own  
Ways to waste it  
I'm so attached and I can't shake it  
So exhausted, I can't fake it  
Conscious but I've got to make it  
She's waking up in a liquor cabinet  
She can't move and I can't stand it  
She's waking up in a liquor cabinet  
Conscious, but she's got to have it [x2]
