

Odds, Say You Mean It Wondergirl

say you mean it (say you do)
say you don't (or maybe not)
say it's stupider
be the genius (make your mind)
or be a clown (open wide)
be the witchdoctor and
cast your spells around (now you see)
underground (the best of me)
it's so beautiful and

she's my wondergirl
superstar attraction
come on wondergirl
let's go and start some action (meant to be)
the same reaction (and you feel it too)
is this destiny?
raise the mountain (scale the hill)
make your find (not an easy time)
build a four lane bridge with
one hand tied behind (it's destiny)
say you're mine (and you feel it too)
say it beautiful and

she's my wondergirl
superstar attraction
come on wondergirl
let's start some action
she's my wondergirl
superstar attraction
come on wondergirl
let's go and start some action
some reaction
say you mean it...
