

# Odds, Say You Mean It Wondergirl

say you mean it (say you do)  
say you don't (or maybe not)  
say it's stupider  
be the genius (make your mind)  
or be a clown (open wide)  
be the witchdoctor and  
cast your spells around (now you see)  
underground (the best of me)  
it's so beautiful and

she's my wondergirl  
superstar attraction  
come on wondergirl  
let's go and start some action (meant to be)  
the same reaction (and you feel it too)  
is this destiny?  
raise the mountain (scale the hill)  
make your find (not an easy time)  
build a four lane bridge with  
one hand tied behind (it's destiny)  
say you're mine (and you feel it too)  
say it beautiful and

she's my wondergirl  
superstar attraction  
come on wondergirl  
let's start some action  
she's my wondergirl
