

# Of Monsters and Men, Love love love

Maybe I'm a crook for stealing your heart away  
And maybe I'm a crook for not caring for it  
And maybe I'm a bad, bad, bad, bad person  
Well baby, I know

So I think it's best we both forget before we'd well on it  
The way you held me so tight all through the night  
It was near morning

Because you love, love, love when you know I can't love  
You love, love, love when you know I can't love  
You love, love, love when you know I can't love, you...

And these fingertips, they'll never run through your skin  
Those bright blue eyes can only meet mine across a room  
Filled with people that are less important than you

Because you love, love, love when you know I can't love  
You love, love, love when you know I can't love  
You love, love, love when you know I can't love, you...

Because you love, love, love when you know I can't love  
You love, love, love when you know I can't love  
You love, love, love when you know I can't love, you...
