

Of Montreal, If You Feel You Must Go, Don't Go!

I love you completely.

Please I don't want you to go, though are not content here with me, and you feel you must go.

How could I lose you so fast?

How come our love did not last?

How come I waited my whole lonely life for you, just for you to leave me lonely too?

I love you completely

My dear, I wanted you to know, throughout this big world nobody else has loved someone so.

I tried to live a life of beauty

I tried to love you truly

I tried to hold in my arms, but you slipped right through me.

I never knew Venus to be so moody.

I love you

I tried to live a life of beauty

I tried to love you truly

I tried to hold in my arms, but you slipped right through me.

I never knew Venus to be so moody.

I love you completely.

Please I don't want you to go, though are not content here with me, and you feel you must go, that
