

Of Montreal, The Gay Parade Outro

Hello my name is Claude Robert
And I'd like to thank you for spending time with the gay parade
We hope you found it enjoyable
And that we will see you again very soon
Because we've grown quite fond of you
And all agree that you make very pleasant company

If you ever feel that in your life
The moments of gaiety
are too few
You can always come and visit us
Now that you know the way
And perhaps someday
You'll be able to stay with us
Forever inside the gay parade
