

# Of Montreal, We Are Destroying The Song

If you're feeling old and grey  
and the pallet in your hand is Auntie Lime  
Remember to curve your virginity  
little Chinese titty

If you look for Rick the Third  
and acknowledge that he hasn't left a pang  
Report him to the Divinity  
little Chinese Ricky

The little Chinese Ricky is of foam  
and you know that you can Ricky model home  
WAIT don't go home  
we are performing the song!!!!

If a Bertha had it's mirth  
and the sack that held the attic up is torn  
Meow meow meow for eternity  
little Chinese kitty

The little Chinese Ricky is of foam  
and you know that you can Ricky model home  
WAIT don't go home  
we are destroying the song!!!!
