

Of The Son, Eyes to God

I know you need something in your life again
Cry out to the sky you will see
God can give you all that you would ever need
New life, forgiveness, if you

Turn your eyes to God
Look up to him
He'll give you life
Everything you need
And if you fall
He can save you
Look in your heart

You can't see what you've been missing all along
Open up your eyes you will find
God is everything that you need to ever be
Free from your life, now you

Jesus came to earth and dies on the cross for our sins
So that we might have everlasting life
Lay your burdens down at the feet of our Lord God
He will give you life
Turn your eyes to God and he will save you
