

Of The Son, One Thirteen

Once my whole life was lost and I was never looking forward
I took it to the cross and washed away
Into a world unknown from me my demons flown
My flesh and blood atone
I have a new life

God help me now
I pray and I will never slip away again
I need your healing power to ease my pain
Lord please draw me near and I will never fear
I won't shed a tear
I'll breathe again

For he's delivered us from the forces of darkness
And brought us into the kingdom Of the Son

In your presence I can feel you now in me
Take me away Lord I pray
Fall on me now
