

Ofenbach, Rock It

you're my nicotine
I am your dirty team
you my girl
you're my reason to live

you're my ecstasy
I am your melody
you're the one
I like my reason to believe

Rock It
yeah in the groove
Rock It
just swipe the
so your body can move
Rock It
yeah in the groove
Rock It
just swipe the
so your body can move
everybody let's groove

1, 2, 3, 4,

you're my bloody queen
I am your dirty king
you my girl
you're my reason to live

I am your sweet ...
you're my ...
you're the one
I like my reason to believe

Rock It
yeah in the groove
Rock It
just swipe the
so your body can move
Rock It
yeah in the groove
Rock It
just swipe the
so your body can move
everybody let's groove

1, 2, 3, 4,

Rock It
so your body can move
everybody let's groove
