

Officer Negative, Satan's Gonna Lose

Jesus come to me, i need your help!
Satan's attacking me!

I hate satan, I hate satan,
I love Jesus, I love Jesus

I will stand and begin to fight
the enemy of my Lord
Satan you wont get my friends or family
Satan you wont get me

With the sword, of the spirit
I will chop your head off

I am a child of God
and he loves you
