

Oingo Boingo, This Bud's For You!

This Bud's for you!
There's no one else who does it,
Quite the way you do...
So here's to you!

You know it isn't only what you say,
It's what you do!
For all you do...
This Bud's for you!

For all you do...
For all you do...

This Bud's for you!

For all you do,
You know the king of beers is coming through!
Ohhhhhh...
For all you do...
This Bud's for you!
