OK Go, I Won't Let You Down

I won't let you down
No, I won't let you down
I won't let you down, my love

I won't let you down
No, I won't let you down
I won't let you down, my love

I think she's got no firefly
But she don't seem that much to mind
No, she don't seem to mind

And you, you got your armor on
Lights out in Babylon
Yeah, lights out in Babylon

But maybe all you need is someone to trust
Maybe all you need is someone
Maybe all you need is someone to trust
Maybe all you need is someone

I won't let you down
No, I won't let you down
I won't let you down, my love

I won't let you down
No, I won't let you down
I won't let you down, my love

No, I won't let you down
Won't let you down
Won't let you down

No, I won't let you down
Won't let you down
Won't let you down

And Emily's got no tricks to try
But she don't seem that much to mind
She don't seem to mind that much to me

You got what the whole world wants
So strap that armor tighter on
Double on down and it's gonna make you free

But maybe all you need is someone to trust
Maybe all you need is someone
Maybe all you need is someone to trust
Maybe all you need is someone

I won't let you down
No, I won't let you down
I won't let you down, my love

I won't let you down
No, I won't let you down
I won't let you down, my love

No, I won't let you down
Won't let you down
Won't let you down

No, I won't let you down
Won't let you down

Won't let you down

I won't let you down, baby
I won't let you down, baby
