

OK Go, Invincible

When they finally come to destroy the earth, they'll have to go through you first. I bet they won't be expecting that. When they finally come to destroy the earth, they'll have to deal with you first, and no my money says they won't know about the thousand Fahrenheit hot metal lights behind your eyes. You're invincible. That crushing, crashing, atom-smashing, white-hot thing... It's invincible. When they finally come, what'll you do to them? Gonna decimate them like you did to me? Will you leave them and stuttering? When they finally come, how will you handle them? Will you devastate them deliberately? 'Cause I'm gonna guess they won't be prepared for thousand Fahrenheit hot metal lights behind your eyes. Invincible. You're invincible. That crushing, crashing, atom-smashing, white-hot thing... It's invincible. So, please use your powers for good. You're invincible.
