

# Okay, Panda

(2x)

Sunshine, baby, sunshine  
Comin' right out, right out of you  
Right into my eyes, into my eyes  
And I can't help but look at you

Sunshine, baby, sunshine  
Comin' right out, right out of you  
Till I feel it's mine, till I feel it's mine  
And I have to, I just have to

Sunshine, baby, sunshine  
Keeps comin' right out, right out of you  
Till I feel it's mine, till I feel it's mine  
And I have to, I just have to  
I just have to, I just have to  
let it go, and goes, and goes  
where no where goes
