

Okkervil River, Get Big

Once we get to the end of this song, then it will begin again. So you said in our bed. I was watching
because of the younger days
that you'd like to outstrip. So drink your cup down to the
dregs and leave that club on
shaking legs with another
guy, but remember: I'm not him. Take your medicine and I
won't ask where you've been.
Live your lost weekend, I
know you've wanted it. Get big, little kid. And once we
get to the end of this song,
then another will b
