

Okkervil River, The Latest Toughs

Il the latest toughs, youve got to shrug them off or shut them off. With ten-thousand-time-told truths

All the latest toughs, well,
we have seen that stuff, and
we have seen enough blood in
dying coughs, which means that we have lost. We have
lost, and if youre crying to
be tossed theyll toss you
down the oubliette with all
the old things that you let
yourself forget because youd
like to love a star whod throw you down below the
ground he thinks you are.
