

Ola, Love In Stereo

It's time to break the chain
To bring the level up
Beyond the people gain
Higher and higher
All our senses come together
When we get it to the music
It's lifting us up
Give me love in stereo, give me more of the attraction
Cause I'm dying for some more
Whoo oo oo
Give me love in stereo, give me total satisfaction
Cause I gotta have it all
Whoo oo oo
Whoo oo oo
It's time do detonate
We lose insanity
Still getting over me
We're pushing the senses
Getting part of the illusion
When we get it to the music
It's lifting us up
Give me love in stereo, give me more of the attraction
Cause I'm dying for some more
Whoo oo oo
Give me love in stereo, give me total satisfaction
Cause I gotta have it all
Whoo oo oo
You've got the best of me
you'll get the rest of what is left
Give me love in stereo, this is more than the attraction
Cause I'm dying for some more
Whoo oo oo
Give me love in stereo, give me total satisfaction
Cause I gotta have it all
Whoo oo oo
Whoo oo oo
