

# Ola, Tonight I'm Yours

Sitting on top of the World with you tonight  
Watching you closely and carelessly I'm yours  
Can't get you out of my mind and I'm in need  
Something keeps pumping me up the more I bleed

And I get one step closer everytime I pray  
I got it all mapped out, I'm on a 3-1-8  
I'll be your one trick pony and your sellout clown  
But I ain't done, tonight - I'm yours

And it's you who dance for me  
And it's you who dance for me

Now it's you who dance for me  
I spit it all out  
I spit it all out  
/2x

Picture me and you in a crowd of stars tonight  
Fixing me up as I fade in full delight

If I get one shot baby that is all it takes  
And I am on that pedal like I'm off that break  
I had a ruff ride dealing with the other side  
But I ain't done, tonight - I'm yours

Now it's you who dance for me  
I spit it all out  
I spit it all out  
/4x

I've been drugged but, baby that's just what I feel  
You can't stop this, babe, I'm on a killing spree  
I've been thrown out babe but now just look at me  
Tonight - I'm yours

I don't know about you, but that's just what I feel  
I can't stop this babe, I need that full house deal  
It's like delt one straight and I don't know about you  
I can't chew that, I can't chew that

Now it's you who dance for me  
I spit it all out  
I spit it all out  
/4x
