

Oleta Adams, The Day I Stop Loving You

"The day I stop loving you will be the day the world stops turning
The day I stop loving you will be the end of time
But the saddest day Ill ever see
Is the day you stop loving me
The day I stop needing you will be the day that I stop breathing
The day I stop needing you the sun wont shine
But the darkest day therell ever be
Is the day you stop needing me
Therell never come a time when Ill ever change my mind
Cant imagine a life without your love
Youre forever in my soul
Im never letting go
I will always be by your side
The day I stop wanting you will be the day my heart stops beating
The day I stop wanting you the stars wont shine
But the saddest day therell ever be
Is the day you stop wanting me
Cant imagine a life without your love
Youre forever in my soul
Im never letting go
I will always be by your side
No, Ill never, never, never, no, never say goodbye
(First verse)
Please dont ever stop loving me
"
