

# Oleta Adams, The Day I Stop Loving You

&quot;The day I stop loving you will be the day the world stops turning  
The day I stop loving you will be the end of time  
But the saddest day Ill ever see  
Is the day you stop loving me  
The day I stop needing you will be the day that I stop breathing  
The day I stop needing you the sun wont shine  
But the darkest day therell ever be  
Is the day you stop needing me  
Therell never come a time when Ill ever change my mind  
Cant imagine a life without your love  
Youre forever in my soul  
Im never letting go  
I will always be by your side  
The day I stop wanting you will be the day my heart stops beating  
The day I stop wanting you the stars wont shine  
But the saddest day therell ever be  
Is the day you stop wanting me  
Cant imagine a life without your love  
Youre forever in my soul  
Im never letting go  
I will always be by your side  
No, Ill never, never, never, no, never say goodbye  
(First verse)  
Please dont ever stop loving me
