

Oliver, The Greatest Story Ever Told

"Thank you for this moment
I got to say how beautiful you are
Of all the hope and dreams I could of prayd for
There you are
If I could have one dance forever
I would take you by the hand
Tonight its you and I together
Im sooo glad
Im your man

And if I live a thousand years you know I never could explain
The way I lost my heart to you that day
But If destiny decided I should look the other way
Then the world would never know
The greatest story ever told
and Did I tell you that I love you tonight

I don't hear the music
When Im looking In your eyes
But I feel the rhythm of you body close to mine
It's the way we touch it sends me
Its the way well always be
Your kiss, your pretty smile you know I die for
Ooo baby
Your all I need

And if I live a thousand years you know I never could explain
The way I lost my heart to you that day
But If destiny decided I should look the other way
Then the world would never know
The greatest story ever told
Did I tell you that I love you just how much I really need you
Did I tell you that I love you tonight

tonight

If I live a thousand year I never could explain
The way I lost my heart to you that day
But If destiny decided I should look the other way
Then the world would never know
The greatest story ever told
Did I tell you that I love you just how much I really need you
Did I tell you that I love you tonight
