

# Olivia Addams, Never Say Never

I will never say never  
Oh-na-na-na  
'Cause my life won't last forever  
Oh-na-na-na  
I don't know who put a mirror on the wall  
Made you ever feel so small  
I got your back  
Go raise your glass  
Cheers to the broken hearts  
Life is like a game of darts  
We're shooting stars  
I know it's hard living with a broken heart  
Like a stranger in the dark  
But I'm here to say it loud  
I will never say never  
Oh-na-na-na  
'Cause my life won't last forever  
Oh-na-na-na  
As long as love is for free, got your own remedy  
I will never say never  
Oh-na-na-na  
Oh-na-na-na  
Oh-na-na-na  
Take me to church  
And I will preach the love  
Better future for this world  
Who volunteers?  
My mama said  
"Kindness finds a way, even in the darkest days  
Just save your tears"  
I know it's hard living with a broken heart  
Like a stranger in the dark  
But I'm here to say it loud  
I will never say never  
Oh-na-na-na  
'Cause my life won't last forever  
Oh-na-na-na  
As long as love is for free, got your own remedy  
I will never say never  
Oh-na-na-na  
Oh-na-na-na  
Oh-na-na-na  
As long as love is for free, got your own remedy  
I will never say never  
Oh-na-na-na  
Walking barefoot in the park  
I'm tryna way to get out of the dark (tryna find a way)  
It's funny how in a blink of an eye  
You're almost old enough to get out of your hide  
I will never say never  
Oh-na-na-na  
'Cause my life won't last forever (won't last forever)  
Oh-na-na-na  
As long as love is for free, got your own remedy  
I will never say never  
Oh-na-na-na  
Oh-na-na-na  
Oh-na-na-na  
As long as love is for free, got your own remedy  
I will never say never  
Oh-na-na-na
