

# Olivia Lufkin, Cut Me Free

It is telling me that  
I cannot escape  
It is telling me that  
I cannot go get  
Just like a broken record  
Repeating it to me  
You're getting my attention  
(Makes me weary)  
Oh you're so strong  
You get stronger when I  
Stronger when I believe you  
Cut me free...  
It is telling me that  
I am going to choke  
It is telling me that  
I am strange  
Just like a broken record  
Repeating it to me  
Comparing always comparing  
(I can't take it)  
You live for my compassion  
I am the one that  
Keeps you alive  
I feel you pull me under  
Fall into your trap  
Now you're taking control of me  
Cut me free...  
I'm asleep  
The road's covered under  
I feel the wind in my face  
And only I cut me here all the time  
Cut me free...
