

# Olivia Lufkin, Into The Stars

I just wanna love  
Toki no tsubasa hazushite  
I just wanna love  
Asu ni naranai you ni  
Nemuri kata sae  
Iki no shi kata sae  
Anata wa wasuresaseru  
Ame no shizuku sae  
Inochi kanjisaseru  
You take my heart to a place i want forever  
Futari no eien wa  
Togiretogire de  
Aenai yakusoku  
Nokoshiteiku dake  
Please stay with me  
I'm so happy in this  
Moment with you  
I just wanna love  
Yume wo kesanai you ni  
I just wanna love  
Anata omou watashi  
Sugu ni hazureru  
Hon no kaba no you ni  
Fuan na nichijou no naka  
Hoshi no ugoki yori  
Koi yori mo tsuyoku  
You take my heart to a place i want forever  
Futari no rakuen wa  
Byoudou ja nakute  
Setsunaku naru hodo  
Mijikaku sugiru  
Day comes, night goes  
I'm standing still  
You've ran off with the stars again  
Futari no eien wa  
Togiretogire de  
Aenai yakusoku  
Bokoshiteiku dake  
Please stay with me  
I'm so happy  
In this moment with you  
I just wanna love  
Toki no tsubasa hazushite  
I just wanna love  
Asu ni naranai you ni  
I just wanna love  
Yume wo kesanai you ni  
I just wanna love
