

Olivia Lufkin, Rain

Out of control
Clouds are forming quickly
nanika wo ima tsutaeru you ni
kanashimi wo atsumete wa hohoendeta kedo
honto no tsuyosa shiranai
The wind wakes unknown
Secrets to the surface
nanika ga ima kawarisou de
nakushita mono subete wo tsunagiawasetara
tobira ga hiraita
I can see kakushitsuzuketa
koe to negai hitotsu ni naru
I can change
rasen wo egaite sora ni noboru
The rain is vanishing
zawameki wo arainagashite wa michibiite yuku
The rain is vanishing
hitomi tojite sono omoi wo
tomeru koto nado dare ni mo dekinai
Feel the strength of
Roots under the surface
shinjiru yori kanjite itai
kurayami no sekai demo saku hana no you ni
shinjitsu wa mi wo hisomeru
The soil magnetize out
Neurosis deep within me
kami wo nurasu shizuku tadori
hanareta kokoro sae mo tsunagatte iru to
kizukihajimeta
I can see kioku no naka no
tooi mirai awai iro de
I can change
yubi wo narashita nara kaze ga kawaru
The rain is vanishing
mayotteta omoi wa shizuka ni nagasarete yuku
The rain is vanishing
hitomi tojite mieru mono wa
eien dakara dare ni mo kesenai
The rain is vanishing
zawameki wo arainagashite wa michibiite yuku
The rain is vanishing
hitomi tojite sono omoi wo
tomeru koto nado dare ni mo dekinai
