

# Olivia Newton-John, Angel Of The Morning

(Taylor)

There'll be no strings to bind your hands  
Not if my love can find your heart  
And there's no need to take a stand  
For it was I who chose to start  
I see no need to take me home  
I'm old enough to face the dawn

Just call me angel of the morning, angel  
Just touch my cheek before you leave me, baby  
Just call me angel of the morning, angel  
Then slowly turn away from me

Maybe the sun's light will be dim  
It won't matter anyhow  
If morning's echo says we've sinned  
Well, it was what I wanted now  
And if we're victims of the night  
I won't be blinded by the light

Just call me angel of the morning, angel  
Just touch my cheek before you leave me, baby  
Just call me angel of the morning, angel  
Then slowly turn away from me

I won't beg you to stay with me  
Through the tears of the day  
Of the years, baby

Just call me angel of the morning, angel  
Just touch my cheek before you leave me, baby  
Just call me angel of the morning, angel  
Then slowly turn away from me  
Oh baby, I love you baby, oh baby
